Hi Stan

Jon is going to be in our NYC office this morning and we are going to discuss his review.

I see that the CSIA report was generated from the Pittsburgh office. I have assumed that Patrick wrote or reviewed the report. Is that accurate? Just wanted to make sure I had that straight before Jon Gabry reached out to him.

Thanks

Doug,

Can you please have the EPA expert on CSIA verbally speak with Patrick McLoughlin at Pace in Pittsburgh? I believe a verbal conversation will provide a much better understanding.

Pat McLoughlin, Ph.D.
Technical Director
Pace Analytical Energy Services

Thank you,

Stan Carey, Superintendent
Massapequa Water District
